

As a part of our fundraising efforts, this year the Something mAAgic foundation has partnered with Kroger, Tom Thumb and Albertsons in their community giving programs.

KROGER (Kroger Neighbor to Neighbor)

- Kroger grocery stores will donate \$1 million to local charities in the Texas/Louisiana area. The program runs from July 1, 2011 to April 30, 2012.
- Every time you make purchases at Kroger using your linked Plus card the eligible purchases are attributed to the Something mAAgic Foundation. At the end of the program Kroger portions out that \$1 million based on the percentage of total purchases that were attributed to the foundation.
- To link your Kroger Plus card to Something mAAgic you just need to:
 1. Take this flyer with you to Kroger the next time you go shopping.
 2. Present the barcode (below) to the cashier. After they have scanned your Kroger Plus Card you will be enrolled for the current year of the Kroger Neighbor to Neighbor Donation Program.
